

Academic year 2017/18						
Total funding allocated		£ 16,540				
Areas of spend	Area of evidence (1-9)	Planned spend (£)	Actual spend (£)	Impact (how has it benefited students/staff?)	Key stages impacted (1/2 or both)	How will you make this sustainable?
Horizon Programme	2,3,4,7,9	1,500	1,500	The horizon program implemented by DRET have allowed our Early years stage children to develop their physical literacy and fundamental movement skills through planned P.E sessions and assessment criteria. The Star awards attached to the program have been used to measure and track pupil's progress and stickers and certificates have been used to reward children when completing the skills. This had a huge positive impact on the children in early years, not only improving them physically but providing them a fun and positive experience in P.E. This is something in which they will carry with them as they continue through the school. Staff have also been provided with CPD from DRET on the planning and delivery of sessions and support with assessments.	Key stage 1	The Horizon Programme is due to continue in the lower years for the next academic year, as well as starting in lower key stage 2. This will provide a direct pathway for children to continue working towards the awards at all ages on program.
Gifted and Talented days - Netball - Athletics - Multi-Sports	1, 2, 3, 6	£600	£600	Gifted and Talented pupils to receive an opportunity to develop their skills further and work with inspirational athletes and coaches in a number of sports: netball, athletics and hockey. Staff who attend use the talent days as CPD in the chosen sport, giving them ideas for their lessons / clubs go forwards	Key Stage 2	Children to continue to work on the skills they have learned at the talent days, while staff will implement their increased knowledge in PE for the next academic year.
'Learn A Sport' CPD Course	2, 4, 5, 9	£200	£200	Staff will attend a 'Learn A Sport' course to understand the rules, format and how it is played. This will be a more diverse sport rather than traditional sports.	Key Stage 2	Staff feel more confident to deliver a variety of sports.

Sports Coaching	1, 2, 3, 4, 5, 9	£2750	£2527.50	Staff feel more confident in their delivery of a variety of sports. - Children have increased their sports skills, enabling them to take part in a variety of School Games Events.	Both	Staff to use this new knowledge to support with their PE delivery.
Outdoor gym equipment	4,7,9	£2,582.30	£2,582.30	Young people have interacted with great enthusiasm. The outdoor gym equipment is an incredibly popular activity and has been incorporated within playtime, lunch time and P.E provision. The equipment has helped improve the children's strength, balance, co-ordination and all-round fitness.	Both	Outdoor gym equipment regularly serviced and safety-checked to ensure it is fit for purpose.
Team Teaching	2, 4, 9	£1400	£1400	Specialist sport staff to spend a minimum of 10 full days in the academy to support teachers and team teach lessons in a variety of year groups and activities.	Both	Improved PE delivery in our school going forwards.
Sportplan subscription	2, 9	£200	£200	Database of lesson plans, session ideas for clubs and videos demonstrating technique in specific key stages and various sports. Split into key stage and activity / sport folders for ease of use. Teachers can access this from anywhere as it is web based.	Both	Long-term our teachers and coaches will have improved lesson planning which will help our children develop more quickly in PE and sport.
School Games	3,6	£500	£500	Selected children from KS1 and KS2 to participate in the local school sport competitions. With each competition, the teams made slight progress in terms of what stage of the competition they reached, therefore this exposure to competition was a success.	Both	Continue to provide opportunities for students to participate in competitive sport competitions. Develop further links with organised junior sports clubs to promote their activities.
PE co-ordinator and TA cover to attend sports events	3,6	£1500	£1500	The following spend enabled the academy to attend more sports events throughout the year. This year has been very successful for the school including winning local Sport Stars events and finishing 6 th in the netball at the DRET Primary Cup.	Both	Improvement in competitive sport across the school and increased publicity.
PE Store Adequately Resourced	5,9	1,000	£700	The money has been used to purchase lots of new equipment such as two bags of new footballs, bean bags,	Both	An audit will be carried out again in the academic year 2018-19, and

				<p>skipping ropes, table tennis balls and other equipment. This has led to an improved experience for the children in P.E due to more equipment available for the children to use, increasing maximum participation and contact time for the students during each lesson. Also the quality of new equipment such as the proper Mitre footballs, has also had a positive effect of performance and enjoyment levels in P.E lessons. It has allowed lessons to run more effectively in each subject area.</p>		<p>further P.E equipment will be purchased.</p>
Elite Athlete Visit	1,2,3,6,8	600	£600	<p>England female Rugby player Justine Lucas visited our school on Wednesday 25th April and the visit was a huge success. Justine did an incredibly inspiring and engaging assembly with the whole school. The students were able to 'learn from the best' in P.E lessons and masterclass sessions delivered across the school year groups. Staff were also able to observe the lesson and pick up teaching points, something which they can use effectively in their own P.E lessons if required. The visit from an England international who finished runner-up in the 2017 women's Rugby World Cup thoroughly inspired our children.</p>	Both	<p>With the elite athlete visit proving a huge success, and noticing how inspired the children were after meeting Justine, even the disengaged young children, this is something that we ensure we have money available for in the next academic year.</p> <p>Another athlete linked to the sports that we are learning in the academic year 2018-19 will be looked into.</p>
Outdoor Table Tennis Table (Sports Equipment)	4,7,9	£562.50	£562.50	<p>A durable, weather proof outdoor table tennis table has been purchased and placed in the playground. The table has been accessible for children during weather permitting break times, has proven successful during interventions with students.</p> <p>The table could also be used during P.E lessons however this hasn't happened due to the large number of children in each lesson and we maximum participation wouldn't be evident if the table were to be used in P.E.</p>	Both	<p>Year PE apprentices and Yr6 leaders will monitor the table to make sure it is being used safely during break times and lunchtimes to enable the table to be used without staff.</p>
2 x Kickster Portable Football Goals	3, 6	£147.98	£147.98	<p>These football goals enable our children to develop their football shooting skills in lessons and after school clubs</p>	Both	<p>Football to be continued in lesson and after school clubs and goals to be used in these.</p>

Football	3, 6	£139.72	£139.72	These footballs have allowed our children to develop their foot – eye coordination, improve their football skills and allow us to coach the children to be ready for school football competitions.	Both	Football to be continued in lesson and after school clubs and the balls will be used in these.
Swimming lessons provided for reception and KS1 pupils	1, 4	£1500	£1500	All children to go swimming throughout the year. 1 hour sessions to ensure progress. All children to be able to swim 25 meters by the end of KS2.	Both	Although currently not all children in Yr6 can swim 25m by the end of KS2 as reported in the 2018-19 sports premium plan, we hope that this additional spend on swimming will have had a positive impact on future Yr6 children attaining their 25m distance.
Transport to competitions	3	£500	£500	This has allowed our students to travel to major competitions such as the DRET Summer and Primary cup. This has provided our students with a platform to express themselves, compete and enjoy the competitions whilst representing the academy.	Key stage 2	As an academy we will continue to use some of the sports premium money for transport costs as we understand the popularity amongst the students and also importance and benefit of attending these great events.
Line markings	1, 3, 4, 6	£1380	£1380	Line markings to be renewed on the schools playground	Both	Playground markings will be in place now for a number of years to come. These will enable children to have increased physical activity during break times, while the lines will also be used during PE lessons to teach netball and handball.
