

PE and School Sport Annual Plan 2018 / 19

Primary School's Vision Statement for PE and School Sport 2018-2019

At Hogsthorpe Primary Academy, we believe that physical education plays a vital role in the development of children, where they learn to develop a healthy lifestyle, raise achievement across the curriculum, develop confidence, teamwork and leadership abilities, and develop and embed a sporting habit for life.

Through PE and school sport, children can develop values of:

- **Belief** – Developing self-belief to help improve sporting success and have a 'can-do' attitude
- **Courage** – Challenging themselves physically and emotionally to try new activities, pushing themselves to achieve and develop new skills and trying to better their results
- **Respect** – Encouraging positive behaviours through playing fair, following rules and admiring peers/team mates for their abilities, qualities or achievements
- **Responsibility** – Experiencing healthy competition and learning to cope with life's successes and defeats
- **Friendship** – Creating friendships through sharing ideas with others, listening and responding in order to participate in physical activities
- **Teamwork** – Working together with other children to reach a common goal and develop key skills such as communication and social skills

Key aspiration for 2018/19

To successfully implement the Horizon Programme throughout the whole school.

Primary objectives for 2018/19

1. To upskill our teachers to enable them to teach high quality PE lessons.
2. To provide a broader experience of a range of sports & activities offered to all pupils.
3. To continue to participate fully in sporting opportunities both with DRET and the School Sport Partnership.

Percentage of current Yr6 children who can swim 25m or over?	62.5%
--------------------------------------------------------------	-------

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as per the annual census. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £1,000 per pupil.

Total no of primary aged pupils between the ages of 5-11	50
Total amount of Sport Premium Grant received	£16, 500

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium funding to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years

Evidencing the Impact of the School Sport Premium

The following guidelines outline what Ofsted Inspectors will be looking for upon their visits. For every 'Action' that you as a school offer your children, you must ensure that you can evidence it against the criteria below. Please use the numbers below as a 'key' in the 'requirement achieved' column.

Inspectors have been asked to consider the impact of the new primary school sport funding on pupils' lifestyles and physical well-being by taking into account of the following factors:

1. Increase participation rates in such activities as games, dance, gymnastics, swimming and athletics;
2. Increase knowledge of teachers within the subject area through CPD, team teaching and access to resources;
3. Increase, amount and success in competitive school sports both inter and intra school;
4. More inclusive physical education curriculum;
5. Growth in the range of provisional and alternative sporting activities (new sports);
6. Improved partnership working on physical education with other schools and other local partners (School Sport Associations, NGB's, County Sports Partnerships, clubs etc);
7. Links with other subjects which contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills;
8. Greater awareness amongst pupils' around health and wellbeing e.g. dangers of obesity, mental health, smoking and other such activities that undermine pupils' health.
9. Improved physical education lesson planning and pupil assessment.

At Edward Heneage Primary Academy we have planned to spend the sport premium funding on the following in order to achieve our vision for PE and school sport:

Planned Sports Premium Spend 2018 – 19

Action	Description	Target Key Stage	Cost	Expected, measurable outcome & timescale	Area of evidence (1–9)
2 x PE apprentices	2 x apprentices will appointed to work alongside teachers to deliver PE lessons, clubs and playground activities.	Whole school	£11,000	<p>We will be able to offer more opportunities for PE and sport in term time.
