

PE and School Sport Annual Plan 2017 / 18

Primary School's Vision Statement for PE and School Sport 2017-2018

At Hogsthorpe Primary Academy we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better. We are committed to using this resource in developing high quality PE lessons, improving the health and wellbeing of our students, alongside greater opportunities for sporting competitions and clubs for all our young people.

Key aspiration for 2017/18

Primary objectives for 2017/18

1. To develop sport skills in PE to train children for competitions
2. Embed the Horizon Programme within the school
3. To Develop lunchtime provision

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as per the annual census. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £1,000 per pupil.

Total no of primary aged pupils between the ages of 5-11	54
Total amount of Sport Premium Grant received	£16, 540

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium funding to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years

Evidencing the Impact of the School Sport Premium

The following guidelines outline what Ofsted Inspectors will be looking for upon their visits. For every 'Action' that you as a school offer your children, you must ensure that you can evidence it against the criteria below. Please use the numbers below as a 'key' in the 'requirement achieved' column.

Inspectors have been asked to consider the impact of the new primary school sport funding on pupils' lifestyles and physical well-being by taking into account of the following factors:

1. Increase participation rates in such activities as games, dance, gymnastics, swimming and athletics;
2. Increase knowledge of teachers within the subject area through CPD, team teaching and access to resources;
3. Increase, amount and success in competitive school sports both inter and intra school;
4. More inclusive physical education curriculum;
5. Growth in the range of provisional and alternative sporting activities (new sports);
6. Improved partnership working on physical education with other schools and other local partners (School Sport Associations, NGB's, County Sports Partnerships, clubs etc);
7. Links with other subjects which contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills;
8. Greater awareness amongst pupils' around health and wellbeing e.g. dangers of obesity, mental health, smoking and other such activities that undermine pupils' health.
9. Improved physical education lesson planning and pupil assessment.

At Hogsthorpe Primary Academy we have planned to spend the sport premium funding on the following in order to achieve our vision for PE and school sport:
